A MESSAGE FROM PREMIER DOUG FORD

My best wishes to everyone taking part in the Canada-Poland Chamber of Commerce Annual Excellence Awards Gala.

Tonight, you celebrate innovation, leadership and altruism — values that define the Polish Canadian business community.

Congratulations to all the deserving award winners. Your achievements and civic involvement have helped make Ontario a great place to work, establish a business and raise a family. I wish you much continued success.

I also want to thank the Canada-Poland Chamber of Commerce for hosting this special event. Know that your dedication and hard work have played a significant role in fueling prosperity, fostering a sense of community, and strengthening economic partnerships between our countries.

Have a terrific evening.

BONNIE CROMBIE

LEADER OF ONTARIO'S LIBERALS

Poles are known for their resilience, determination, strong work ethic, and deep commitment to community. I am honoured to call many of them my neighbours and friends, and I take great pride in my own Polish heritage.

Canada and Poland enjoy a strong and growing economic relationship, built on shared values, trade and investment. For three decades, the Canada-Poland Chamber of Commerce has played a vital role in fostering this partnership. Thank you for your leadership and dedication in making this connection stronger year after year.

On this May 2, 2025, I'm delighted to welcome everyone to the Canada-Poland Chamber of Commerce's Excellence Awards Gala.

I extend my heartfelt congratulations to all the award recipients, and to the many Polish-owned businesses across Canada whose contributions continue to strengthen our economy and communities.

As Leader of Ontario's Liberals, my vision is for an Ontario where your families and your businesses can thrive, where your children have every opportunity to succeed, where our seniors are treated with dignity, and where a robust economy supports the public services we all rely on.

Because a strong economy is the foundation upon which we build a more caring, more prosperous society — and your ongoing work plays a central role in that effort.

And it all begins with you, and the excellent work you do, each and every day, to serve Canadians, to serve Poles, and to strengthen our economic ties.

Wishing you a wonderful evening and continued success.

   @BonnieCrombie

ABOUT THE CHAMBER

Canada-Poland Chamber of Commerce (CPCC) was incorporated on June 21, 1994. The CPCC is dedicated to the promotion, development and expansion of business, trade and investment opportunities between Canada and Poland as well as the development of relationship and networking opportunities within the Canadian-Polish Business Community and with others.

On October 27, 1999, the Chamber entered into an agreement with the Business Centre Club and Association of Polish Artisans (Związek Rzemiosła Polskiego). The organizations agreed to co-operate to further their individual missions and increase membership privileges.

On March 3, 2005, Canada-Poland Chamber of Commerce became a member of the European Union Chamber of Commerce in Toronto. Since 2005, members of the Canada-Poland Chamber of Commerce also receive EUCOCIT/EUCCAN membership. Our Executive Vice President is also the honorary President of EUCCAN and acts as our official liaison.

We are primarily a networking organization and the majority of our hosted events take place in the Greater Toronto Area. We strive to raise the profile of our members and Canadian Polish businesses. To reinforce the significance of their contributions we host an Excellence Awards Gala.

Although we are based out of Toronto we help organize, promote and participate in Trade Missions to Poland, Forums, Conferences, and we traveled with Prime Minister Harper in 2015 on his Delegation to Poland.

The members of the Canada-Poland Chamber of Commerce do not have any obligation to the organization other than to attend the networking events of their choosing. The benefits of the membership are numerous and listed under the Membership Types page on our website. The most important factor is to be a part of the organization that offers excellent networking opportunities leading to expansion and development of members businesses and contacts. With our growth in new members the Chamber is in a position to advocate with different levels of government in Canada on our member's behalf. Joining does not translate to a responsibility unless one is interested in becoming an active member, joining a committee or running for a board of director position. All members regardless of their level of involvement gain the opportunity to grow and support their own business.

Excellence in Charitable Initiatives – 2025

Polimex Forwarding Corp.

In the early 1980s, Vitek Manitius immigrated to Canada with a vision—to serve the growing needs of importers and exporters trading between Eastern Europe and North America. In 1982, he founded Polimex Forwarding (“Polimex”), which has since grown into a trusted global logistics and transportation provider.

In 2016, Vitek’s son, Kris Manitius, joined the company to carry forward the family tradition and implement new technologies and industry best practices, enhancing service offerings and streamlining operations.

Throughout its history, Polimex has proudly used its expertise for charitable initiatives, including assisting victims of the 1997 Central European floods, Ukrainian refugees following the 2022 Russian invasion, children in Polish shelters and most recently the victims of the September 2024 floods in Poland.

The 2024 floods caused widespread devastation across towns like Kłodzko, Lewin Brzeski, Łądek Zdrój, and Stronie Śląskie, leaving thousands displaced. In response, Polimex partnered with Musket Transport, Father Janusz Błazejak OMI, nine Polish parishes, two Polish schools, and hundreds of community members to launch a heartfelt donation campaign. The result was overwhelming: over two full containers of essential goods were donated by the community, then shipped to Poland by Polimex and Musket Transport, and distributed by the Lions Club charity to support those most affected.

Deeply connected to both Poland and Canada, Polimex remains committed to building bridges across continents—not only through logistics but through compassion and community action.
